CODE OF ETHICS

ACADEMIC HONESTY

I understand that academic dishonesty of any kind (including but not limited to copying homework, cheating on tests, and plagiarism) is unacceptable and is an offense which may result in my suspension from school and/or my removal from the Academy program.

ACADEMIC RESPONSIBILITY

I am expected to be responsible. For example, I am responsible for attending class regularly and for being prepared for each class. Being prepared means coming to class with my notebook, a pen, all required books, and completed assignments. Repeated absences and lack of preparation will undoubtedly affect my grade. If I am absent, it is my responsibility to obtain the notes and classwork and to make up the work that I missed. I realize that disruptive or other negative classroom behavior will not be tolerated, but will result in detention, teacher-parent conferences, or referral to an assistant principal.

ATTENDANCE

The Monroe Township Board of Education Attendance Policy will be in effect for all Academy students. Please refer to the student handbook for the details of this policy.

GENERAL

I realize that I must abide by the rules and regulations of the Monroe Township Public Schools and Williamstown High School.

I have read, understand, and agree to abide by the above Code of Ethics.
