

Grade 3-4

Teacher: Kelly Dillich

Topic: Government

Technology Devices Needed: Laptops (Internet)

<http://pbskids.org/democracy/mygovt/>

LoTi Level: 2

Directions: After perusing this site, students will explain the role that government plays in our lives and find out why we need government. Students can tour a town and discover how government affects it and even become a president for a day, as well as vote on policies. It's very realistic!
